The Taiwan in My Eyes 120h event marks its 11th year, focusing on educating university students about the UN's 17 Sustainable Development Goals (SDGs) and their implementation in Taiwan. During the 5 day program, teams of selected students visit 5 designated locations, including benchmark companies and government organizations, to understand Taiwan's energy development initiatives. Teams are also assigned to explore 6 additional SDG-related sites across different regions of Taiwan.
